Administration: Rod Cross

--Heather is out of the hospital—assume doing much better—look at RH Facebook & send note.
--Chrissy, Chef—Rod talked to her—scheduled for Christmas Eve—not coming 12/25. Depending on number of people, she’ll come to lodge on 12/26. House is full 12/27—1/17.
--Stephanie & Rod—in season rates start 12/26—week day rates \$20/night are from 12/20—12/25 unless Chrissy is cooking on Christmas Eve. She will stop by the house on 12/20 to check house supplies.
--Jim said he plans to be up the weekend before—12/17.
--Bulk Tickets will be handed out 12/6—Gen. Meeting; again needed a check from Club \$1500—had to drive to Stephanie to get it. We need to work on a better system.

Membership: Lori

--New Sam Gen (received all money due); Doug Boothroyd; Emily Cross (no money yet—Rod said he’ll get it from her); Amanda is good too; Prospects: Adam Weissman came up to the club—looks pretty sure; Dan ? (Ski Instructor)—works in MA—lives somewhere on Hudson—out of core—we’ll need to discuss further—we might need to modify the % of out of core since membership is such an issue. Stephanie will encourage Dan since he would like to come up to Lodge for the 17th/18th (Stephanie will be there) & meet some of our people. He would be such an asset—use house every weekend & we offer him a good deal; Gabe’s grandson, Nick Arisco, joined & his brother, Mike, seems to be interested Tom Nolan & Judi Jalbert rejoined. Working on the Gary Gash situation—sent wrong amount \$305 & Lori discussed it with him—he said OK, but so far has not made up the difference. Rod will talk to him privately at Christmas week.

Communications: Terri

--Doing great job—go to our Facebook page & hit like—the more like’s the better. Think of pictures for Facebook & our website.

Administration (Cont.): Rod

--Still need more money for Killington ski chair—have \$160.
--Mattress covers are either on the mattresses or folded on each bed—we have extra to replace soiled ones while original is being washed by member.

Operations: Jim

--Alarm 3rd floor—alarm co. reported a “fail”. The Killington Fire Dept. said so also—need to be addressed immediately. Also mentioned trouble with our automatic latching on doors. Jim said he’d talk to them; Stephanie said she has the bill for the inspection. She told them to fix ASAP—they will come Monday 12/12—further explanation: our magnetic closures—door closes, but the doors do not fully latch on their own. Tom Constantine & Bob Boothroyd will be at Lodge this weekend (12/10) & will look at them.

2.

Asst. Treasurer: Kyle

--So far all is fine, but need to emphasize that coordinator reports should be to her in 3 days after weekend (or weekday stay) & money deposited as quickly as possible. Rod will emphasize this at the Gen. Meeting.

Administration (Cont.): Rod

--We need to "ride Killington's coattails"—they are doing all sorts of things on the mountain.
--World Cup was so exciting—lots of fun—local gal won
--Club trophies—lost track of them—any at someone's house? Does anyone have record of last 5 yrs.?

Lodge Coordination: Sharon

--Handbook up dated. She needs headshots of all Board Members for the Website. Send them to Stephanie. Rod will do a President's letter.

Operations (Cont.): Jim

--Need paper goods for at least ½ season—Jim will make arrangements. Stephanie agreed to stop at CosCo & pick up toilet paper, towels, soap on her way up for the 12/17/18 weekend.
